RAI Radio Televisione Italiana, Italy:

Replacement of their old equipment for powering their fleet of mobile production control rooms (PCR) in their production trucks for Outdoor Broadcast (PowerBOX assemblies, connectors)

YEAR 2007

Rugby World Cup 2007, France:

Supply of PowerBOX assemblies, PowerSyntax connectors)

El Esercito Italiano (Italian Army):

Replacement of their equipment for powering satellite broadcast devices located in Iraq, Afghanistan and Kosovo (PowerBOX assemblies, transformers)

YEAR 2008

F1 circuit, Singapore:

Lighting of Singapore circuit for the F1 Night Race (500 PowerBOX assemblies, 10.000 PowerSyntax connectors)

Dipartimento Protezione Civile (Italian Government Emergency Management), Italy:

Supply of equipment for power distribution (300 PowerBOX assemblies).

YEAR 2009

MotoGp season 2009, international venues:

Provisional powering of circuits (PowerBOX assemblies, PowerSyntax connectors)

Serie A Italian football league, Italy:

Powering of broadcast equipment in the stadiums of Serie A (PowerBOX assemblies, PowerSyntax connectors);

Dipartimento della Protezione Civile (Italian Government Emergency Management Body), Italy:

Emergency management due to earthquake in L'Aquila, supply of equipment for power distribution in tent camps (more than 500 PowerBOX assemblies, more than 50 km of cables (part of which with PowerSyntax connectors)

Fina (Fédération Internationale de Natation) World Championship Roma 2009, Italy:

Power systems for Press Center and competition sites (PowerBOX assemblies, PowerSyntax connectors, 15 km of power cables)

Vancouver Winter Olympic Games 2010, Canada:

Power distribution systems for screens (PowerBOX assemblies)

YEAR 2010

Football World Cup 2010, South Africa:

Systems for powering and distribution of electric current (120 PowerBOX assemblies, 1100 PowerSyntax connectors)

RAI Radio Televisione Italiana, Italy:

Stations of the Cross with the Pope at the Colosseo in Rome (PowerBOX assemblies, 150 PowerSyntax connector sets)

Comuni di Roma (Municipality of Rome), Italy:

Extraordinary lighting of the Fori Imperiali (PowerSyntax connectors);

Le Bourget International Air Show Paris, France:

1500 PowerSyntax connectors supplied

YEAR 2011

EI Esercito Italiano (*Italian Army*), Italy:

Replacement of their power distribution equipment for powering mobile stations (PowerBOX assemblies);

RAI Radio Televisione Italiana, Italy:

Supply of power distribution systems for OB units (PowerBOX assemblies, PowerSyntax connectors, Syntax SV25/6 audio-video connectors and Syntax audio-video box "Cronista":

YEAR 2013

Sochi Winter Olympic Games 2014, Russia:

3500 PowerSyntax connectors

YEAR 2015/2016

Olympic Games Rio 2016, Brazil:

Systems for powering and distribution of electric current (150 PowerBOX assemblies, 1500 PowerSyntax connectors)

YEAR 2017/2018

Football World Cup 2018, Russia:

Cable connectors for powering all the 12 stadiums of the World Cup (8400 PowerSyntax connectors)

YEAR 2019

Shenzen World Exhibition and Convention Center, PRC:

2500 panel-mount and 1500 cable connectors for powering the exhibition center and related infrastructures (4000 PowerSyntax connectors)
